PROJECT METHODOLOGY STATEMENT:

A. ENGINEERING

SR. NO.	PARTICULARS
A.1)	Receipt of input GFC drawing from Client
A.2)	Submission of shop drawing by Canter
A.3)	Submission of TDS for those items which are immediately available, approval of TDS, getting the approval of 1st lot of material procurement from client placing the orders and delivering of 1st lot of material
A.4)	Receipt of all balance pending input from client & drawing as well as quantities. Placing the order for balance material & delivery at site.
A.5)	Submission of TDS for higher size items, approval of the same, approval of quantities to be procured from client, placing the order and delivery at site

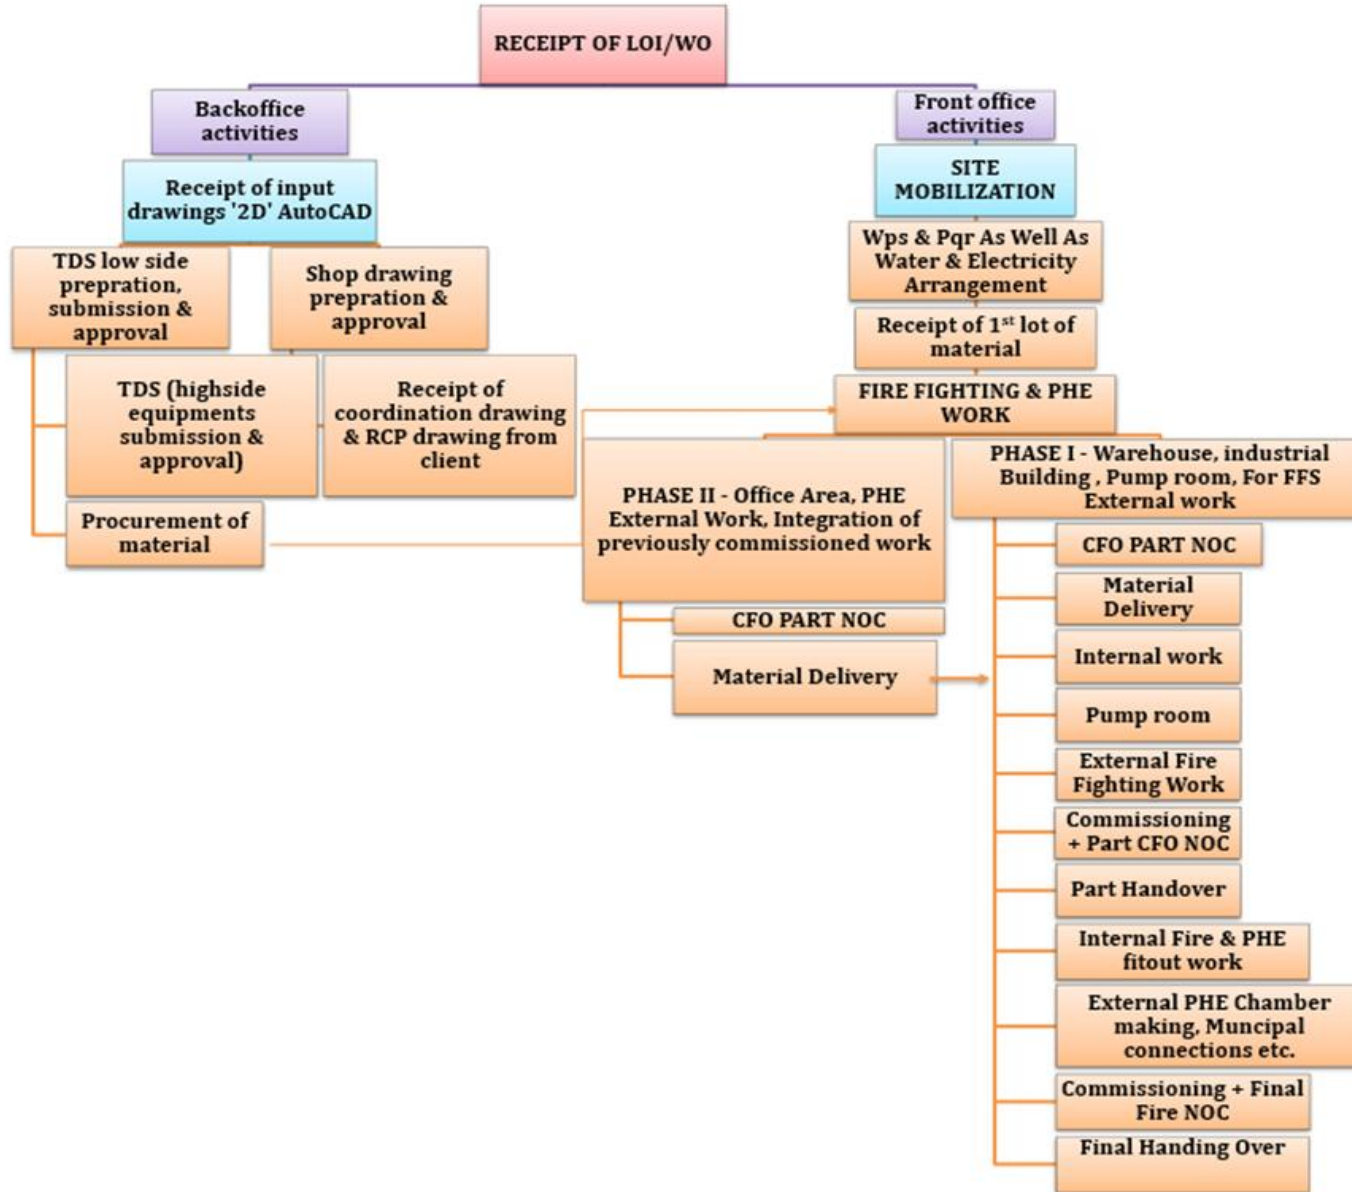

B. SITE MOBILIZATION ACTIVITIES

SR. NO.	PARTICULARS
B.1)	Deployment of staff and accommodation arrangements, approval of all lifting tools & tackles, WMS, Safety protocols, etc.
B.2)	Delivery of 18' x 10' – container Delivery of materials from store
B.3)	Construction of shades for the size as given below i. Stores 40'x25' – 1 Nos (approx.) ii. Open yard rack for pipes & fabrication yard – 60'x40' – 1 Nos (approx.)
B.4)	Mobilization of manpower for fabrication work
B.5)	Qualification of manpower & tools & tackles -WPS/PQR -The third party approved Farana, Crane, etc. -Electricity arrangements at strategic locations of work
B.6)	Receipt of 1st lot of material (str. Steel + Pipes & fittings)

C. INSTALLATION

SR. NO.	PARTICULARS
C	Prefabrication of pipeline in fabrication yard from approved welders (6G)
C.1)	Shifting of prefabricated pipes at various places of work locations
C.2)	Carrying out secondary store supplying work wherever required
C.3)	Scaffolding arrangement as per client standard & lifting of piping, carrying out site welding, cleaning etc.
C.4)	Strategically planned testing work of pre identified pipe length, simultaneously carrying out insulation work as per SOP/QA excluding welding joint (in case testing is pending)
C.5)	After the testing is over, touch up painting as per technical specifications of all weld joints
C.6)	Passivation / flushing as per requirement after commissioning of pumps
C.7)	Attending the snag points & handing over

PROJECT METHODOLOGY

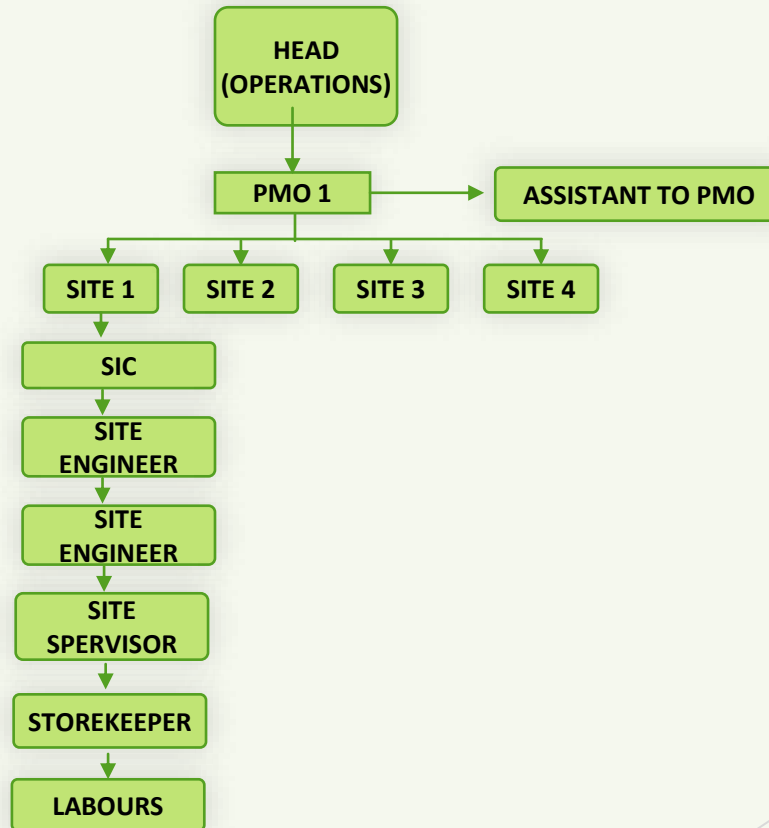

PROJECT MONITORING TOOLS

SR. NO.	PARTICULARS
1	DRAWING TRACKER
2	TDS TRACKER
3	MATERIAL PROCUREMENT TRACKER
4	DAILY PROGRESS REPORT TRACKER LINKED TO MILESTONE SCHEDULE
5	CASH FLOW CUM BILLING TRACKER
6	HANDING OVER SNAG LIST TRACKER

PROJECT ORGANIZATION (HO AND SITE)

**DESIGN
PRINCIPLE/
ASSUMPTIONS**

1. PMO (Project Management officer) reports to head (Operations). He looks after cluster of sites (Approx 3-4 Nos)
2. Under him there will be site team:

PROJECT EXECUTED IN LAST MONTH (JANUARY 2026)

From: Shali Habibulla

Sent: Wednesday, December 31, 2025 12:53:59 pm

Subject: Congratulations on Successful Completion of PIW Piping Works in CUB Building

Dear Mr. Bendre,

We are delighted to extend our sincere congratulations to you and your team for achieving the physical completion of PIW piping works at the CUB Building. This milestone is a testament to the dedication and hard work of your PIW team, whose commitment and perseverance made this accomplishment possible.

We deeply appreciate the valuable contributions of your entire team and would like to give special recognition to the site management for their unwavering support and leadership throughout the project. We trust that the remaining activities, including Testing & Commissioning at the CUB & FAB Building area, will also be completed within the scheduled timeline.

In particular, we wish to acknowledge and commend Mr. Ishan, Mr. Farhan, Mr. Rajendar, Mr. Aman, and all site team members, who, under the guidance of Mr. Shramik Turate, played a pivotal role in achieving this target.

Once again, congratulations to you and your team for this remarkable achievement.

Thanks & Regards

Shali Habibulla

Dear Canter Team,

I am writing to express my sincere appreciation for the exceptional work your team demonstrated throughout the pipeline installation project. Your professionalism, dedication, and attention to detail were evident at every stage, ensuring the project was completed efficiently and to the highest standards. The seamless collaboration and commitment of your crew truly made a significant difference.

Thank you for your outstanding efforts and reliability. We look forward to future opportunities to work together.

Best regards,
Wangxin

ON SITE MEDICAL CHECK-UP CAMP

CANTER promotes the on-site medical check-up camp to encourage all employees to participate and take proactive steps toward their health and well-being.

This initiative is being carried out in agreement with all concerned personnel and stakeholders.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Eco-Friendly Infrastructure

- Adoption of green building norms in plumbing, sanitation, and CP sanitary usage.

Water Conservation

- Construction of a **check dam** in Wada district (in collaboration with *Prerana Pratishthan*) with provision of safe **drinking water supply** from source.

Renewable Energy Access

- Installation of a **solar electricity network** with 3-point connections at tribal hutments in Wada district.
- **Coverage:** 150 hamlets.

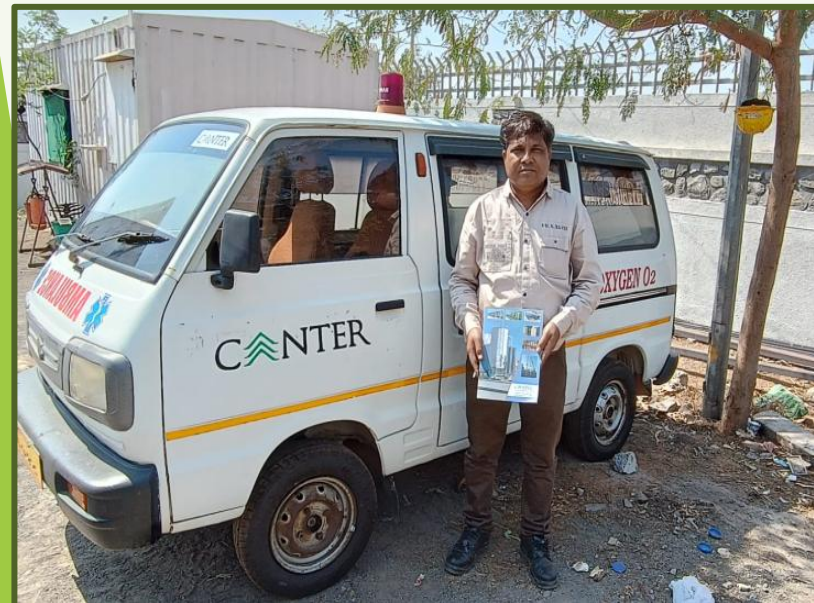

Afforestation Drive

- Plantation of **3,000 trees** at National Park, Manpada (in collaboration with *Rotary Club – Thane Suburban*).

- Our team participated in a Blood Donation Drive in association with **Rotary Club of Thane Suburban**
- Organized to **support COVID-19 patients** during the pandemic
- Demonstrated our **commitment to community welfare** in challenging times

BLOOD DONATION CAMP – AMBULANCE DONATION INITIATIVE

- Ambulance donated to **Aurangabad Thalassemia Society's Shri Satya Sai Blood Centre**
- Supporting the cause: **"Thalassemia Free Society"**
- Bringing hope to children with thalassemia through free, life-saving blood support

- Supported **education** for underprivileged children by fulfilling essential needs
- Provided **Year-long support** for the academic session
- Enabled uninterrupted learning and improved school attendance

HEALTHCARE DRIVE FOR COMMUNITY WELL-BEING – VANVASI KALYAN ASHRAM

- Conducted a comprehensive medical camp at Vanvasi Kalyan Ashram
- Focused on preventive healthcare and early detection of health issues
- Strengthened our CSR commitment towards community healthcare & well-being

THANK YOU
